Re: 07-CV-3646, Willis v. Landamerica Onestop, Inc., et al.

Dear Judge Robinson:

Yesterday this law firm was engaged as counsel for plaintiff in the above-captioned matter, substituting in for previous plaintiff's counsel, Mr. Kevin T. Mulhearn, Esq. In light of this very recent entry into the case, plaintiff is seeking a two-week extension of time to prepare and serve written discovery.

The present deadline is today, September 14, 2007, which plaintiff proposes to adjourn to September 28, 2007. This is plaintiff's first request for an adjournment of this deadline, and counsel for defendants have both consented to this requested adjournment. This letter is being faxed to all counsel of record simultaneously with transmission to the Court.

APPLICATION GRANTED

HON. STEPHEN C. ROBINSON

Respectfully submitted,

Diane McFadin

Attorney for Plaintiff Bennie Willis
